

PANTONE Fashion & Textile Color Reference Digital Cotton Edition TCX Card – 2801 Colors

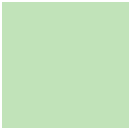

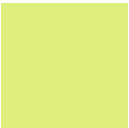

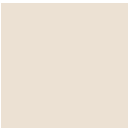

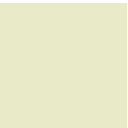

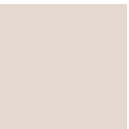

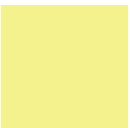

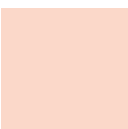

(Starting with Codes 11–19)

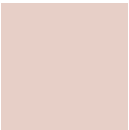

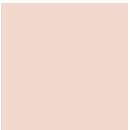

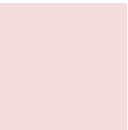

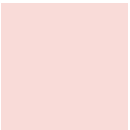

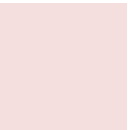

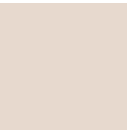

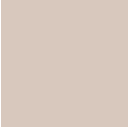

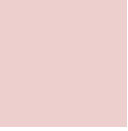

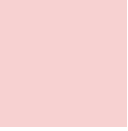

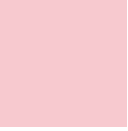

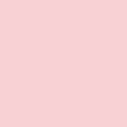

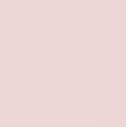

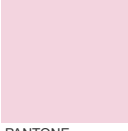

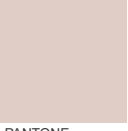

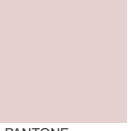

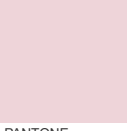

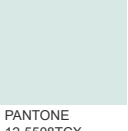

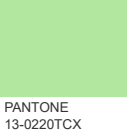

FASHION, HOME + INTERIORS Cotton Passport

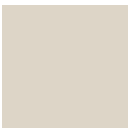

The latest color series for fashion, home, and interior design, "Dual Color Harmony", consists of 2,625 classic TCX colors and 175 stunning new shades. The newly added colors are presented in two strikingly different palettes, showcasing the beauty created by combining "new pastel neons" with "shadow tones" in monochromatic pairings. An ideal tool for sparking color inspiration and facilitating color communication within office teams. Suitable for fashion, textiles, home furnishings, fashion accessories, and yarn products. The displayed colors and values are computer simulations and may vary across devices. Please refer to the latest published physical color swatches for accurate colors in actual production.
