

PANTONE Fashion & Textile Color Reference Digital and Paper Edition TPG Card – 2801

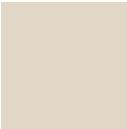

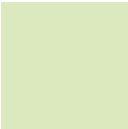

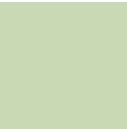

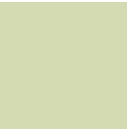

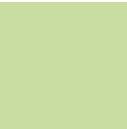

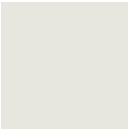

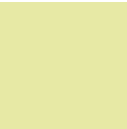

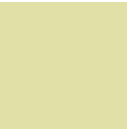

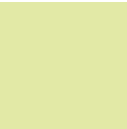

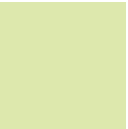

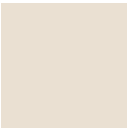

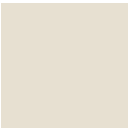

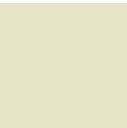

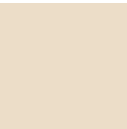

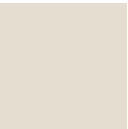

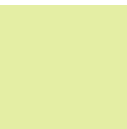

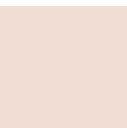

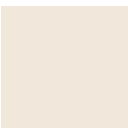

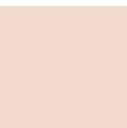

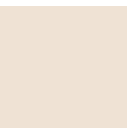

Colors (Starting with Codes 11–19)

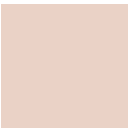

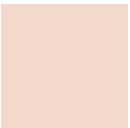

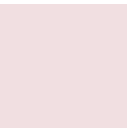

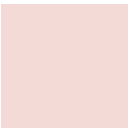

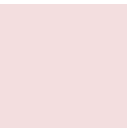

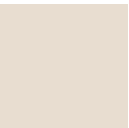

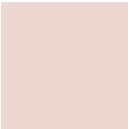

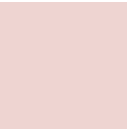

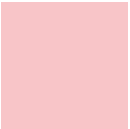

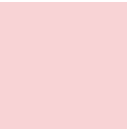

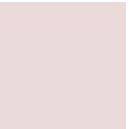

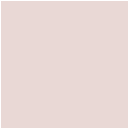

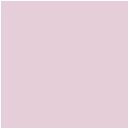

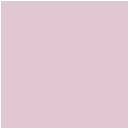

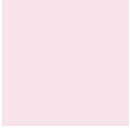

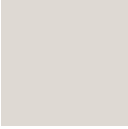

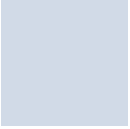

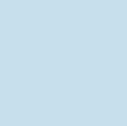

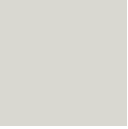

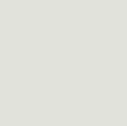

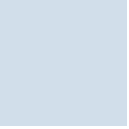

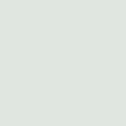

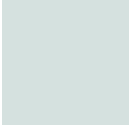

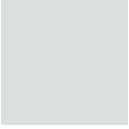

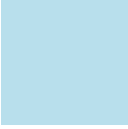

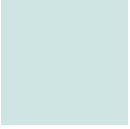

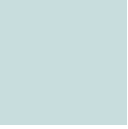

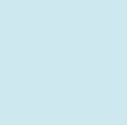

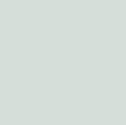

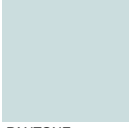

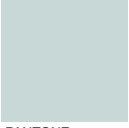

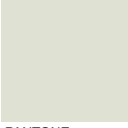

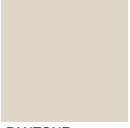

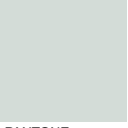

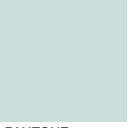

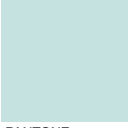

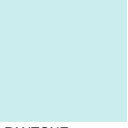

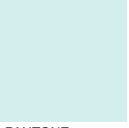

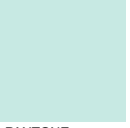

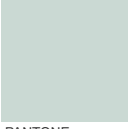

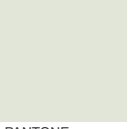

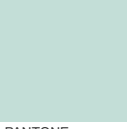

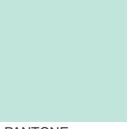

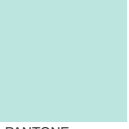

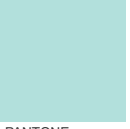

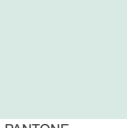

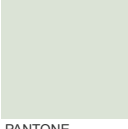

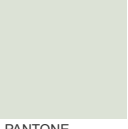

FASHION, HOME + INTERIORS Cotton Passport

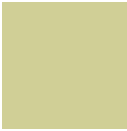

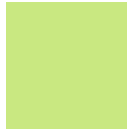

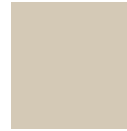

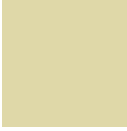

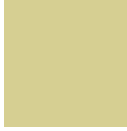

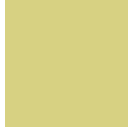

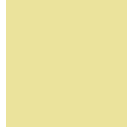

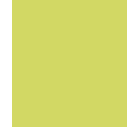

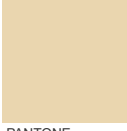

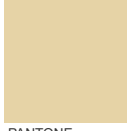

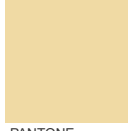

The latest color series for fashion, home, and interior design, "Dual Color Harmony", features 2,625 classic TPG colors along with 175 striking new shades. The newly added colors are presented in two distinct palettes, showcasing the beauty that emerges when combining "new pastel neons" with "shadow tones" in monochromatic themes. An ideal tool for inspiring color creativity and facilitating color communication within office teams. Perfect for color referencing in fashion, textiles, home décor, fashion accessories, and yarn products. Displayed colors and values are computer-generated simulations and may appear differently across devices. For accurate color reproduction in production, please refer to the latest published physical color swatches.
